MEMORANDUM

TO: Director, Central Intelligence Group

ATTENTION: Executive for AAM

THROUGH Office of Operations

FROM: Acting Chief, FBI

SUBJECT: Radio Engineer for the FBI Mediterranean Bureau

STATINTL

The FBI Mediterranean Bureau [REDACTED] has no competent radio engineer on its staff. For this reason it is believed that this Bureau is not operating with maximum efficiency from a technical standpoint. A recruitment request for a radio engineer to fill this position has been in the hands of the Personnel Branch, OIS, since January 21, 1947.
